Mrs. Effa Manley
71 Crawford Street
Newark, New Jersey

Dear Mrs. Manley:

I regret that we were unable to get the opportunity to discuss the proposed benefit game for the Y before you left for Chicago. The Committee of Management at Court St. is still enthusiastic over the idea and I am anxious to talk with you as soon as possible. Please inform me as to the earliest time you can see me following your return from the west.

Very truly yours,

William R. Jackson
